THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY WELFARE (DR. C. SILVERA): (a) and (b) The survey conducted has indentified 200 districts out of 242 surveyed to be endemic in various States/UTs of the country. The survey revealed that the Northern, North Eastern and Tarai Regions are pockets of high prevalence.

(c) and (d) In order to control Iodine Deficiency Disorders, the Government is implementing the scheme of Universal Iodisation of Salt under National Iodine Deficiency Disorders Control Programme. Under this Programme funds are provided to States/UTs for the following activities:—

(i) Establishment of IDD Control Cell.

(ii) Publicity & Health Education.

(iii) Conducting IDD Surveys/re-surveys.

(iv) Establishment of IDD Monitoring Laboratory.

(v) Monitoring of quality control of Iodised Salt.

Development of Ayurvedic Medicines for Treatment of AIDS

6404. SHRI RAHASBIHARI BARIK: Will the PRIME MINISTER be pleased to state:

(a) whether Ayurvedic medicines have been invented in the which can cure AIDS;

(b) if so, the name of the State or laboratory where the medicine has been developed; and

(c) the steps taken to use the medicine for curing AIDS?

THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY WELFARE (DR. C. SILVERA): (a) No, Sir.

(b) and (c) Does not arise.

Eligibility for time bound promotions of Professors

6405. SHRI PRAMOD MAHAJAN:
SHRI SATISH AGARWAL:

Will the PRIME MINISTER be pleases to state:

(a) what are the rules and regulations governing the eligibility for the time bound promotions from Assistant Professors to associate Professors and from Associate Professors to Professors working as doctors under the Central health Service Teaching cadre in various teaching institutions;

(b) what is the number and details of doctors who have become eligible for promotion as Associate Professors and as Professor invarious specialities during the years 1993, 1994 and so far in 1995 and what are the reasons for which their promotions have not so far been made; and

(c) what is the present status of their promotions?

THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY WELFARE (DR. C. SILVERA): (a)

From Assistant Professor to Associate Professors

According to Rule 8(3) of the CHS Rules, Assistant Professors of Teaching Specialist Sub-cadre having two years regular service in the grade are eligible for promotion as Associate Professors on seniority-cum-fitness basis. The promotion is in-situ and without linkage to the availability of vacancies.

From Associate Professors to Professors

According to Rule 4(8)(iii) of the CHS Rules, Associate Professors with 6 years service as Associate Professor or 8 years of combined service as Assistant Professor and Associate Professor are eligible for placement in Non-Functional Selection Grade of Associate Professors in the pay scale of Rs. 4500-5700 on

seniority-cum-fitness basis. The promotion is on in-situ basis and without linkage to the availability of vacancies.

In pursuance of the decisions taken on the recommendations of the High Power Committee (Tikku Committee) on service doctors, the distinction between Non-Function Selection Grade (Rs. 4500-5700) and Functional Grade (Rs. 4500-5700) has been eliminated and now Associate Professor with 6 years regular service as Assoc. Professor or 8 years combined service as Assistant Professor and Associate Professor are eligible for placement as Professors in the pay scale of Rs. 4500-5700 according to existing guidelines. The promotioivplacement is in-situ and without linkage to the availability of vacneies.

(b) Details given in statements from Statement I to IV *(See* below).

(c) The proposal has been sent to the Deptt. of Personnal & Training for the approval of the Appointment Committee of the Cabinet.

Statement-I

Rise in Diabetic cases

6406. SHRI KRISHNA KUMAR BIRLA:
SHRI SURINDER KUMAR SINGLA:

Will the PRIME MINISTER be pleased to State:

(a) whether Government's attention has been drawn to the press news-item under the caption "Concern over rise in diabetic cases" as reported in the Hindustan Times dated the 16th April, 1995;

(b) if so, whether medical experts in various fields have warned developing countries about steep rise in cases of diabets, blindness and kidney ailments by 2000 A.D.;

(c) whether Government have formulated any plan to check the rise in number of persons suffering from varius diseases; and

(d) if so, the details thereof?

THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY WELFARE (DR. C. SILVERA): (a) Yes, Sir.

(b) According to a WHO Study Group Report developing and newly industralialised countries are currently facing the problem of increase in the burden of diseases of affluence and lifestyle such as diabetes.

(c) and (d) Under National Programme for control of Blindness, the prevalance of blindness is sought to be reduced from 1M9% to 0.3% by the year 2000 A.D. A Pilot Project on Diabetes Control Programme is included in the current year's plan. Kidney ailment can be controlled by promoting healthy life-style.

Cases of Liver Diseases

6407. SHRI KRISHNA KUMAR BIRLA: Will the PRIME MINISTER be pleased to State:

(a) whether Government's attention has been drawn to a press news-item under the caption "Liver diseases on the rise" as reported in 'Pioneer' dated the 9th April, 1995;

(b) if so, whether Government have formulated schemes to check the causes of rise in liver diseases;

(c) if so, the details thereof;

(d) what other factors arc responsible for increase in liver diseases; and
